## OUR Annual January Red Tag Sale

Starts Next Wednesday Morning at 8 O'clock

We shall cast aside all thoughts of profit and direct our efforts entirely toward getting our stock into proper condition for this time of the year. This means that certain lines must be disposed of quickly, and so we shall make prices low enough to tempt immediate buying.

Prices will be cut from 1-2 to 1-3 in some cases. Nothing marked up to mark down.

This will be the time to be economical. Two months hence you'll more than likely be planning some furniture improvements. We can't wait—and you can't afford to wait—until then. This will be our

but larger and more important than ever—one of the greatest money saving events of the year, so by all means don't miss it—and these mark downs right in the face of advances in all lines by the manufacturers.

We shall try and have some of these wonderful bargains on show in our windows by Monday or Tuesday, but in justice to all nothing will be sold until time of sale Wednesday morning.
